

New cardiovascular and renal outcomes data for SGLT-2 inhibitors

Author/Reviewer:
Ryan Rodriguez, PharmD, BCPS—Author
Clinical Associate Professor
University of Illinois College of Pharmacy

and

Robert Rosman, MD—Reviewer
Associate Professor of Clinical Medicine
Internal Medicine
Department of Medicine
University of Illinois College of Medicine

Disclosure(s): Drs. Rodriguez and Rosman, the planning committee members, and reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

Purpose: To increase the healthcare provider's knowledge of the appropriate treatment regimen for patients who are candidates for SGLT-2 inhibitor therapy.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Summarize FDA indications and guideline recommendations for SGLT2 inhibitors.
- Contrast characteristics of clinical trials supporting CV and renal benefit of SGLT2 inhibitors.
- Describe proposed mechanisms of benefit of SGLT2 inhibitors in improving CV and renal outcomes.
- Devise an appropriate treatment regimen for patients who are eligible for treatment with an SGLT2 inhibitor.

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge

Fee: Free

Release and Most Recent Review Date: April 1, 2021

Expiration Date: March 4, 2022

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://illinoisadvance.com/cme-programs/> to participate in this activity.

Continuing Medical Education Statement:

ACCME
ACCREDITED

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity consisting of a reading of the monograph, completion of the post-test (minimum score of 70% required; may be taken up to 3 times), activity evaluation, and estimating duration of time spent on the activity. A certificate of completion will be issued after all requirements as described are completed.
