

Trauma—TEG, Anti-Fibrinolytics, Key Considerations
(trauma management for the non-trauma management audience)

Authors:

Brian W. Gilbert, PharmD, BCPS, BCCCP
Emergency Medicine Clinical Pharmacy Specialist
Residency Program Director, PGY-2 Critical Care
Wesley Medical Center
Adjunct Assistant Clinical Professor
University of Kansas School of Pharmacy

and

Ellen C. Omi, MD, MS, FACS
Trauma and Surgical Critical Care
Advocate Christ Medical Center
Associate Professor
University of Illinois-Chicago Department of Surgery

Disclosure(s): Dr. Gilbert, Dr. Omi, and the reviewers who contributed to this activity have no relevant financial relationships of interest to disclose.

Purpose: To educate healthcare professionals on the basics of hemorrhagic shock in the trauma patient and the role of thromboelastography in the resuscitation of the patient in hemorrhagic shock.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Discuss different components which comprise thromboelastography (TEG).
- Evaluate appropriate opportunities in which universal administration of tranexamic acid (TXA) may be efficacious.
- Explain which TEG abnormalities in which targeted reversal therapies may be beneficial.
- Describe the classification of hemorrhagic shock based on clinical and objective findings.
- Describe the role of thromboelastography in the care of the injured patient in hemorrhagic shock.

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge-based

Fee: \$10 (or \$45 for all 10 courses). For C4 2021 participants who registered for the live program, please use the access code provided to you by email.

Release and Most Recent Review Date: September 24, 2021

Expiration Date: August 28, 2022

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://medicinece.uic.edu/> to participate in this activity.

Continuing Medical Education Statement:

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by viewing the entire presentation video and completing a post-test and activity evaluation. A certificate of completion will be issued

after all requirements as described are completed.
