Northwell Health
Professor of Medicine
Donald and Barbara Zucker School of Medicine at Hofstra/Northwell

Disclosure(s): Dr. Dzierba, Dr. Narasimhan, and the reviewers who contributed to this activity have no relevant financial relationships of interest to disclose.

Purpose: To educate critical care providers on the data surrounding current controversies on available treatments for patients with COVID-19 and how rapid dissemination of literature impacted guideline recommendations.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Discuss trial designs that were commonly used in published literature during the coronavirus disease 2019 (COVID-19) pandemic.
- Identify current treatment challenges and controversies for patients with COVID-19.
- Explain the impact press releases and rapid publications had on guideline updates.

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge-based

Fee: \$10 (or \$45 for all 10 courses). For C4 2021 participants who registered for the live program, please use the access code provided to you by email.

Release and Most Recent Review Date: September 24, 2021

Expiration Date: August 28, 2022

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://medicinece.uic.edu/> to participate in this activity.

Continuing Medical Education Statement:

ACCME
ACCREDITED

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by viewing the entire presentation video and completing a post-test and activity evaluation. A certificate of completion will be issued after all requirements as described are completed.

Hardware/Software and Internet Requirements can be found at <https://medicinece.uic.edu/>
