**Disclosure(s):** Dr. Celmins, Dr. Said, and the reviewers who contributed to this activity have no relevant financial relationships of interest to disclose.

**Purpose:** To provide health care providers an update on COVID-19 in the pediatric patient, pediatric inflammatory multisystem syndrome emerging in the SARS-CoV-2 pandemic, and the current proposed treatment strategies.

### Learning Objectives:

**Upon completion of this activity, participants should be able to:**

- Discuss the available literature regarding the presentation of COVID-19 in the pediatric patient.
- Discuss the available literature regarding the signs, symptoms, and diagnostic criteria for multisystem inflammatory syndrome in children (MIS-C).
- Evaluate the available literature and experiences concerning the management of COVID-19 and MIS-C in pediatric patients.

**Target Audience:** Physicians, Physician Assistants, and Nurse Practitioners

**Type of Activity:** Knowledge-based

**Fee:** \$10 (or \$45 for all 10 courses). For C4 2021 participants who registered for the live program, please use the access code provided to you by email.

**Release and Most Recent Review Date:** September 24, 2021

**Expiration Date:** August 28, 2022

**Estimated time to complete activity:** 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

**Location:** Please visit <https://medicinece.uic.edu/> to participate in this activity.

### Continuing Medical Education Statement:

ACCME  
ACCREDITED

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by viewing the entire presentation video and completing a post-test and activity evaluation. A certificate of completion will be issued after all requirements as described are completed.
