

Controversies in the Management of Pulmonary Hypertension in Patients with Congenital Diaphragmatic Hernia

Author:
Keliana O'Mara, PharmD
NICU Clinical Pharmacy Specialist
WakeMed Health and Hospitals

Disclosure(s): Dr. O'Mara and the reviewers who contributed to this activity have no relevant financial relationships of interest to disclose.

Purpose: To educate healthcare providers about clinical controversies with the management of pulmonary hypertension in neonates with congenital diaphragmatic hernia.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Describe the pathophysiology of pulmonary hypertension in neonates with congenital diaphragmatic hernia.
- Discuss strategies for management of vasopressor and inotropic support in neonates with pulmonary hypertension and congenital diaphragmatic hernia.
- Review literature for treatment options of pulmonary hypertension in neonates with congenital diaphragmatic hernia.

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge-based

Fee: \$10 (or \$45 for all 10 courses). For C4 2021 participants who registered for the live program, please use the access code provided to you by email.

Release and Most Recent Review Date: September 24, 2021

Expiration Date: August 28, 2022

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://medicinece.uic.edu/> to participate in this activity.

Continuing Medical Education Statement:

ACCME
ACCREDITED

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by viewing the entire presentation video and completing a post-test and activity evaluation. A certificate of completion will be issued after all requirements as described are completed.
