

Management of severe asthma – role of monoclonal antibodies

Authors/Reviewer:

Kaitlin Miles, PharmD—Author

*Clinical Assistant Professor/Academic Detailing Pharmacist
Medication Review and Academic Detailing (MRAD)/Illinois ADVANCE
University of Illinois at Chicago College of Pharmacy*

and

Bernice Man, MD, MS—Reviewer

*Assistant Professor of Clinical Medicine
University of Illinois at Chicago College of Medicine*

Disclosure(s): Dr. Miles, Dr. Man, and the reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

Purpose: To increase the healthcare provider's confidence and knowledge of managing severe asthma and the role of monoclonal antibodies in severe asthma management.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Review the approach to management of severe asthma as recommended by the Global Initiative for Asthma (GINA)
- Compare the profiles and product information of the monoclonal antibodies for severe asthma
- Identify considerations when choosing a monoclonal antibody for a patient with severe asthma
- Develop a treatment plan for a patient with severe asthma based on patient-specific factors

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge

Fee: Free

Release and Most Recent Review Date: February 1, 2022

Expiration Date: February 1, 2023

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://illinoisadvance.com/cme-programs/> to participate in this activity.

Continuing Medical Education Statement:

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

ACCME
ACCREDITED

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity consisting of a recorded presentation, completion of the post-test (minimum score of 70% required; may be taken up to 3 times), activity evaluation, and estimating the duration of time spent on the activity. A certificate of completion will be issued after all requirements as described are completed.
