

Role of subcutaneous allergen immunotherapy (SCIT) and sublingual immunotherapy (SLIT) in the management of asthma

Author:
Rachel Brunner, PharmD
Clinical Assistant Professor
University of Illinois at Chicago
College of Pharmacy

and

Robert Rosman, MD—Reviewer
Associate Professor of Clinical Medicine
Internal Medicine
Department of Medicine
University of Illinois College of Medicine

Disclosure(s): Drs. Brunner and Rosman, the planning committee members, and reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

Purpose: To increase the healthcare provider's knowledge of the role of subcutaneous allergen immunotherapy (SCIT) and sublingual immunotherapy (SLIT) in the management of asthma and the differences between the available formulations. Clinicians should be able to develop a personalized treatment plan for their patients based on patient-specific, disease-specific, and formulation-specific factors.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Describe the mechanisms of immunotherapy in asthma management
- Compare pharmacotherapy profiles and various formulations of immunotherapy for asthma
- Review available literature on efficacy and safety of immunotherapy in patients with asthma
- Develop individualized immunotherapy treatment plans for appropriate candidates with asthma based on patient-specific, disease-specific, and agent-specific factors

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge

Fee: Free

Release and Most Recent Review Date: April 11, 2022

Expiration Date: April 1, 2023

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://illinoisadvance.com/cme-programs/> to participate in this activity.

Continuing Medical Education Statement:

ACCME
ACCREDITED

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity consisting of a

recorded presentation, completion of the post-test (minimum score of 70% required; may be taken up to 3 times), activity evaluation, and estimating the duration of time spent on the activity. A certificate of completion will be issued after all requirements as described are completed.
