

Adherence to Therapy in the HIV Pre-Exposure Prophylaxis Setting

Author:

Kaitlin Miles, PharmD, BCPS

*Clinical Assistant Professor/Academic Detailing Pharmacist
Medication Review and Academic Detailing (MRAD)/Illinois ADVANCE
University of Illinois at Chicago College of Pharmacy*

and

Robert Rosman, MD—Reviewer

*Associate Professor of Clinical Medicine
Internal Medicine
Department of Medicine
University of Illinois College of Medicine*

Disclosure(s): Drs. Miles and Rosman and reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

Purpose: To increase the healthcare provider's knowledge of the importance of adherence to HIV PrEP therapy and the need for medication adherence monitoring and counseling.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Review available literature on efficacy and adherence of HIV pre-exposure prophylaxis (PrEP) therapy
- Compare methods for medication adherence monitoring
- Describe key components of medication adherence counseling for oral HIV PrEP therapy
- Develop a plan to address and support medication adherence for a patient receiving oral HIV PrEP therapy

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge

Fee: Free

Release and Most Recent Review Date: July 11, 2022

Expiration Date: July 1, 2023

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://illinoisadvance.com/cme-programs/> to participate in this activity.

Continuing Medical Education Statement:

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity consisting of a reading of the monograph, completion of the post-test (minimum score of 70% required; may be taken up to 3 times), activity evaluation, and estimating duration of time spent on the activity. A certificate of completion will be issued after all requirements as described are completed.
