

If it's not broke, should we FiX it?

Authors:

Nick Panos, PharmD

Clinical Lead, Critical Care

Clinical Pharmacy Specialist, Neurosciences ICU

Rush University Medical Center

and

Gary D. Peksa, PharmD, MBA, BCPS

Manager, Clinical Pharmacy

Assistant Professor, Emergency Medicine

Rush University Medical Center

Disclosure(s): Drs. Panos and Peksa and the reviewers who contributed to this activity have no relevant financial relationships of interest to disclose.

Purpose: To evaluate dosing practices of prothrombin complex concentrates for the management of anticoagulant associated hemorrhage.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Describe the mechanisms of action of prothrombin complex concentrates and identify which components are beneficial in the treatment of hemorrhage due to anticoagulation
- Summarize current evidence supporting the use of fixed-dose versus variable-dose prothrombin complex concentrate regimens in anticoagulation reversal
- Explain whether present literature affirms a fixed-dose prothrombin complex concentrate regimen confers a safety benefit over a variable-dose regimen

Target Audience: Physicians

Type of Activity: Knowledge

Fee: \$10 (or \$70 for all 10 courses). For C4

2022 participants who registered for the live program, please use the access code provided to you by email.

Release and Most Recent Review Date: September 30, 2022

Expiration Date: August 27, 2023

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://medicinece.uic.edu/> to participate in this activity.

Continuing Medical Education Statement:

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by viewing the entire presentation video and completing a post-test and an activity evaluation. A certificate of completion will be issued after all requirements as described are completed.

Hardware/Software and Internet Requirements can be found at <https://medicinece.uic.edu/>
