

If it's not broke, should we FiX it?

Authors:

Nick Panos, PharmD

Clinical Lead, Critical Care

Clinical Pharmacy Specialist, Neurosciences ICU

Rush University Medical Center

and

Gary D. Peksa, PharmD, MBA, BCPS

Manager, Clinical Pharmacy

Assistant Professor, Emergency Medicine

Rush University Medical Center

Disclosure(s): Drs. Panos and Peksa and the reviewers who contributed to this activity have no relevant financial relationships of interest to disclose.

Purpose: To evaluate dosing practices of prothrombin complex concentrates for the management of anticoagulant associated hemorrhage.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Describe the mechanisms of action of prothrombin complex concentrates and identify which components are beneficial in the treatment of hemorrhage due to anticoagulation
- Summarize current evidence supporting the use of fixed-dose versus variable-dose prothrombin complex concentrate regimens in anticoagulation reversal
- Explain whether present literature affirms a fixed-dose prothrombin complex concentrate regimen confers a safety benefit over a variable-dose regimen

Target Audience: Nurses

Type of Activity: Knowledge

Fee: \$10 (or \$70 for all 10 courses). For C4

2022 participants who registered for the live program, please use the access code provided to you by email.

Release and Most Recent Review Date: September 30, 2022

Expiration Date: September 19, 2024

Estimated time to complete activity: 1.0 contact hour CNE

Location: Please visit <https://medicinece.uic.edu/> to participate in this activity.

Continuing Nursing Education Statement:

UI Health is approved as a provider of nursing continuing professional development by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91).

In regard to successful completion and contact hours being awarded: 1.0 Continuing Nursing Education contact hours will be awarded to participants who complete the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Nursing Education Statement by viewing the entire presentation video, successfully completing the post-test (score of 80% or higher), and completing an activity evaluation. A certificate of completion will be issued after all requirements as described are completed.

Hardware/Software and Internet Requirements can be found at <https://medicinece.uic.edu/>
