University of Illinois College of Pharmacy

Christie Denton, PharmD, BCPS—Author
Clinical Associate Professor/Clinical Pharmacist
Department of Pharmacy Practice
University of Illinois College of Pharmacy

and

Bernice Man, MD, MS—Reviewer
Associate Professor of Clinical Medicine
Academic Internal Medicine
Department of Medicine
University of Illinois College of Medicine

Disclosure(s): Drs. Koppen, Denton, and Man, and the reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

Purpose: To increase the healthcare provider's confidence and knowledge of optimizing asthma management in pediatric patient population.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Describe the signs and symptoms, diagnostic criteria, and goals of therapy for asthma in pediatric patients
- Formulate individualized treatment plans for pediatric patients with asthma that incorporate both pharmacologic and nonpharmacologic treatment strategies
- Discuss the role and use of biologic therapies in pediatric patient populations
- Recommend appropriate monitoring strategies and interventions to improve asthma control in pediatric patients

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge

Fee: Free

Release and Most Recent Review Date: November 15, 2022

Expiration Date: October 21, 2023

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://illinoisadvance.com/cme-programs/> to participate in this activity.

Continuing Medical Education Statement:

ACCME
ACCREDITED

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity consisting of a recorded presentation, completion of the post-test (minimum score of 70% required; may be taken up to 3 times), activity evaluation, and estimating the duration of time spent on the activity. A certificate of completion will be issued after all requirements as described are completed.
