

Contemporary Use of Pre-Exposure Prophylaxis Against HIV Infection

Authors/Reviewer:

Ryan Rodriguez, PharmD, BCPS—Author

Clinical Associate Professor
University of Illinois College of Pharmacy

Faria Munir, PharmD—Author

Clinical Assistant Professor/Clinical Pharmacist
University of Illinois College of Pharmacy

Robert Rosman, MD—Reviewer

Associate Professor of Clinical Medicine
Internal Medicine
Department of Medicine
University of Illinois College of Medicine

Disclosure(s): Drs. Rodriguez, Munir, and Rosman, the planning committee members, and reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

Purpose: To increase the healthcare provider's knowledge of the contemporary use of PrEP against HIV infection.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Summarize guideline recommendations for use of PrEP in prevention of HIV infection
- Assess patient risk level and candidacy for PrEP.
- Compare and contrast available drugs for use in PrEP.
- Provide an appropriate PrEP regimen and patient counseling points given a patient case

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge

Fee: Free

Release and Most Recent Review Date: November 15, 2022

Expiration Date: October 21, 2023

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://illinoisadvance.com/cme-programs/> to participate in this activity.

Continuing Medical Education Statement:

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity consisting of a reading of the monograph, completion of the post-test (minimum score of 70% required; may be taken up to 3 times), activity evaluation, and estimating duration of time spent on the activity. A certificate of completion will be issued after all requirements as described are completed.
