

Vaccination against human papillomavirus: an overview

Author/Reviewer:

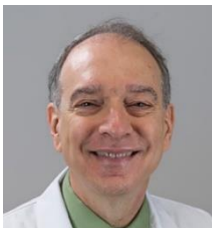

Jessica Elste, PharmD, BCPS—Author

Clinical Assistant Professor

Drug Information Group

University of Illinois at Chicago, College of Pharmacy

and

Robert Rosman, MD—Reviewer

Associate Professor of Clinical Medicine

Internal Medicine

Department of Medicine

University of Illinois College of Medicine

Disclosure(s): Drs. Elste and Rosman, the planning committee members, and reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

Purpose: To increase the healthcare provider's knowledge of human papillomavirus (HPV) and the recommended vaccinations against HPV.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Describe the pathogenesis and clinical presentation of human papillomavirus (HPV)
- Discuss properties of the currently available HPV vaccine, including dosing/administration, vaccine schedules, and safety considerations
- Review clinical evidence and guideline recommendations supporting HPV vaccination in various populations
- Recognize barriers to implementation of appropriate HPV vaccination and suggest strategies to overcome such barriers

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge

Fee: Free

Release and Most Recent Review Date: April 4, 2023

Expiration Date: March 17, 2024

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://illinoisadvance.com/accme-accredited-continuing-medical-education/> to participate in this activity.

Continuing Medical Education Statement:

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

ACCME
ACCREDITED

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity consisting of a reading of the monograph, completion of the post-test (minimum score of 70% required; may be taken up to 3 times), activity evaluation, and estimating duration of time spent on the activity. A certificate of completion will be issued after all requirements as described are completed.
