UI Health/Miles Square
Chicago, Illinois

Disclosure(s): Drs. Rucha Patel, Sujal Patel, and Nicole Gastala have no relevant financial conflicts of interest to disclose in relation to this activity.

Purpose: To educate clinicians regarding the Illinois Prescription Monitoring Program (PMP) and the role of designees.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Describe the Illinois Prescription Monitoring Program and registration process
- Explain how a prescriber can assign a designee
- Identify the capabilities and responsibilities of a prescriber and designee within the Illinois Prescription Monitoring Program
- Discuss the importance and benefits of assigning designee(s)

Target Audience: Physicians, Physician Assistant, Nurse Practitioners

Type of Activity: Knowledge-based

Fee: Free

Release and Most Recent Review Date: May 8, 2023

Expiration Date: May 8, 2024

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://medicinece.uic.edu/moodle/> to participate in this activity.

Continuing Medical Education Statement:

ACCME
ACCREDITED

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity consisting of a presentation, completion of the post-test (minimum score of 70% required; may be taken up to 3 times), activity evaluation, and estimating duration of time spent on the activity. A certificate of completion will be issued after all requirements as described are completed.

Hardware/Software and Internet Requirements can be found at <https://cemedicine.uic.edu/online-activities/requirements/>
