

## The ins & outs of COVID management in solid organ transplant: An update on therapies across the spectrum of care

**Speaker:**  
**W. Justin Moore, PharmD, BCPS, BCIDP**  
*Clinical Pharmacist, ID/ASP*  
*Northwestern Medicine*

**Disclosure(s):** Dr. Choi is on the speaker's bureau of Janssen Pharmaceuticals and a consultant for Bristol Myers Squibb. Dr. Cohen is on the speaker's bureau of Veloxis Pharmaceuticals and is an investigator for a grant received from Veloxis Pharmaceuticals. Dr. Muran, a planning committee member, is a consultant for Veloxis Pharmaceuticals. Dr. Sanchez, a planning committee member, is a consultant for Veloxis Pharmaceuticals. All of the other speakers, planning committee members, and reviewers who contributed to this activity have no relevant financial relationships with ineligible companies to disclose. All of the relevant financial relationships listed for these individuals have been mitigated.

**Purpose:** To educate healthcare professionals on the COVID-19 management options and current evidence for solid organ transplant recipients.

### Learning Objectives:

Upon completion of this activity, participants should be able to:

- Review current evidence and treatment recommendations for COVID-19
- Discuss appropriate medication therapy considerations for select patient scenarios
- Identify COVID drug-drug interactions that impact immunosuppressive therapy

**Target Audience:** Nurses

**Type of Activity:** Knowledge-based

**Fee:** \$10 (or \$45 for all 5 courses). For ITPA 2022 participants who registered for the live program, please use the access code provided to you by email.

**Release and Most Recent Review Date:** November 11, 2022

**Expiration Date:** October 10, 2024

**Estimated time to complete activity:** 0.75 hours (0.75 CNE credit hours)

**Location:** Please visit <https://medicine.uic.edu/> to participate in this activity.

### Continuing Nursing Education Statement:

UI Health is approved as a provider of nursing continuing professional development by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation (OBN-001-91).

In regard to successful completion and contact hours being awarded: 0.75 Continuing Nursing Education contact hours will be awarded to participants who attend the entire duration of the activity and complete the online evaluation following the activity. Advanced practice nurses may count a total of 0.75 contact hours for the pharmacotherapeutic educational requirement.

### How to Earn Credit:

Participants must complete the activity as described above in the Continuing Nursing Education Statement by viewing the entire presentation video and completing a post-test and activity evaluation. A certificate of completion will be issued after all requirements as described are completed.

**Hardware/Software and Internet Requirements** can be found at <https://medicine.uic.edu/>
