

In the Arrest, Who You Gonna Call? Clot Busters?

Date:

September 25, 2025

Purpose:

To educate nurses on thrombolytics in the setting of cardiac arrest.

Target Audience:

Nurses

What you will learn:

- Discuss the advantages to use and literature supporting thrombolytics in the setting of cardiac arrest
- Describe the safety concerns and disadvantages to administering thrombolytics in the setting of cardiac arrest
- Appraise the selection of thrombolytic agent in the setting of cardiac arrest

1.0 CNE contact hour(s) will be awarded to participants who attend the entire activity, complete the post-test, and submit an activity evaluation.
