

# ILLINOIS TRANSPLANT PHARMACISTS ASSOCIATION SYMPOSIUM

## Transplantation of Geriatrics

### Date:

October 16, 2023 – September 16, 2025

### Purpose:

To educate nurses caring for solid organ transplant recipients about immunosuppression regimens in geriatric SOT recipients and the management of comorbid disease states common in this population.

### Target Audience:

Nurses

### What you will learn:

- Review the risks and benefits of solid organ transplantation in the geriatric population
- Review induction and maintenance immunosuppression regimens regarding efficacy and safety in the geriatric population
- Identify approaches to managing medication regimens related to comorbidities in geriatric transplant recipients

**0.75 CNE contact hour(s) will be awarded to participants who attend the entire homestudy activity, complete the post-test, and submit an activity evaluation.**
