

Management of acute COPD exacerbations - State-of-the-art approach

Author/Reviewer:

Rachel Brunner, PharmD
Clinical Assistant Professor
University of Illinois at Chicago
College of Pharmacy

and

Robert Rosman, MD—Reviewer
Associate Professor of Clinical Medicine
Internal Medicine
Department of Medicine
University of Illinois College of Medicine

Disclosure(s): Drs. Brunner and Rosman, the planning committee members, and reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

Purpose: To increase healthcare provider knowledge on the diagnosis and management of a chronic obstructive pulmonary disorder (COPD) acute exacerbation.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Describe factors associated with an increased risk of acute COPD exacerbation
- Review parameters to assess exacerbation severity at the point of care
- Outline pharmacologic and respiratory support treatment options based on severity of exacerbation
- Develop individualized treatment and discharge plans for a COPD exacerbation based on patient-specific, symptom-specific, and severity-specific factors

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge

Fee: Free

Release and Most Recent Review Date: October 1, 2023

Expiration Date: October 1, 2024

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://illinoisadvance.com/accme-accredited-continuing-medical-education/> to participate in this activity.

Continuing Medical Education Statement:

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

ACCME
ACCREDITED

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity consisting of a

reading of the monograph, completion of the post-test (minimum score of 70% required; may be taken up to 3 times), activity evaluation, and estimating duration of time spent on the activity. A certificate of completion will be issued after all requirements as described are completed.
