Disclosure(s): Drs. Elste, Hudak, and Ahluwalia, the planning committee members, and reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

Purpose: To increase the healthcare provider's knowledge of the importance of naloxone dispensing, available formulations of naloxone, and strategies to increase access to naloxone.

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Review local and national data on the opioid epidemic and use of naloxone
- Compare formulations of naloxone available for reversal of opioid overdose
- Describe the naloxone standing order and dispensing options in Illinois
- Recognize and address barriers to naloxone access

Target Audience: Physicians, Physician Assistants, and Nurse Practitioners

Type of Activity: Knowledge

Fee: Free

Release and Most Recent Review Date: June 6, 2024

Expiration Date: June 6, 2025

Estimated time to complete activity: 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

Location: Please visit <https://illinoisadvance.com/accme-accredited-continuing-medical-education/> to participate in this activity.

Continuing Medical Education Statement:

The University of Illinois College of Medicine at Chicago is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine at Chicago designates this Enduring Material CME activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by reading the learning objectives and faculty disclosures; participating in the entire knowledge-based activity consisting of a reading of the monograph, completion of the post-test, activity evaluation, and estimating duration of time spent on the activity. A certificate of completion will be issued after all requirements as described are completed.
