

## ***Managing Neuropsychiatric Symptoms in Patients with Dementia***

**Authors/Reviewer:**

**Jessica M Elste, PharmD—Author**

*Clinical Assistant Professor*

*Drug Information Group, Assistant Director*

*University of Illinois Chicago Retzky College of Pharmacy*

**Jennifer A Phillips, PharmD—Author**

*Clinical Assistant Professor*

*Drug Information Group, Director*

*University of Illinois Chicago Retzky College of Pharmacy*

**Robert Rosman, MD—Reviewer**

*Assistant Professor of Clinical Medicine*

*University of Illinois Chicago College of Medicine*

**Disclosure(s):** Dr. Elste, Dr. Phillips, Dr. Rosman, and the planning committee members, and reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

**Purpose:** To provide a strong understanding of the various types of dementia, neuropsychiatric symptom development, and recommended management strategies for patients with dementia.

**Learning Objectives:**

- Describe the epidemiology, pathophysiology, and clinical presentation of neuropsychiatric symptoms in patients with dementia.
- Identify nonpharmacologic strategies to prevent or reduce neuropsychiatric symptoms in patients with dementia.
- Evaluate the efficacy and safety of pharmacologic options for treating neuropsychiatric symptoms in patients with dementia.

**Target Audience:** Physicians, Physician Assistants, and Nurse Practitioners

**Type of Activity:** Knowledge

**Fee:** Free

**Release and Most Recent Review Date:** February 16, 2026

**Expiration Date:** February 16, 2027

**Estimated time to complete activity:** 1.0 hour CME (1.0 AMA PRA Category 1 Credit)

**Location:** Please visit <https://illinoisadvance.uic.edu/web-based-cme/> to participate in this activity.

## Continuing Medical Education Statement:

The University of Illinois College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine designates this Enduring Material CME for a maximum of *1.0 AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### How to Earn Credit:

Participants must complete the activity as described above in the Continuing Medical Education Statement by reading the learning objectives and faculty disclosures, participating in the entire knowledge-based activity consisting of a presentation, completing the post-test, activity evaluation, and estimating the duration of time spent on the activity. A certificate of completion will be issued after all requirements as described are completed.

**Hardware/Software and Internet Requirements** can be found at <https://cemedicine.uic.edu/online-activities/requirements/>
